#### LATEST TELEGRAMS.

Gambetta has been interviewed in regular Yankee fashion and he is good enough to say, in substance, that Theirs is a confounded old tyrant; that he runs the French ranch in a destructive, selfish way: that the Assembly is a mere tool in the President's hands; and that everything is going to demnition smash generally.

Attorney General Barlow signifies that he is on the war trail against the Tammany Ring, reports of compr mises to the contrary notwithstanding.

Gold in New York, 1131/6114; bonds, 113%; greenbacks in San Francisco, 8814; selling, 89.

Some New York militia men perpetrated some very militious mischief while returning from drill, by shooting and bayoneting one another. Two of the warriors were slain and twenty were wounded Let us have peace.

There are even more deaths by the Newberg Asylum fire than at first reported. Many inmates are missing. One hundred have been sent to Dayton.

Chanceller of the Exchequer, Lowe, has been making a speech at Glasgow wherein he severely criticises the action of Sir Alexander Cockburn for declining to sign the Alabama award and then airing his dissenting opinions.

A telegram to the Virginia Chronicle of last evening, says:

Hamilton, September 27 .- The Liberal Republican and Democratic County Convention met on the 25th and made the following nominations: Assembly, F. W. Cole, Robert M. Beatty, Ed Mathews, George W. Lamb and C. C. Vennage; Sheriff, Dan Patterson; Recorder, William C. Love; County Clerk, B. H. Hereford; Treasurer, W. P. Willard; Assessor, T. R. Cranley; District Attorney, J. R. Kittrel; Surveyor, T. S. Read; Public Administrator, P. Chamberlain; Superintendent of Schools, Louis A. Honck; County Commissioners, G. R. Alexander, long term; Reinhold Saddler, short term.

#### POLITICAL NOTES.

Governor Noyes says he is of the cpi ion that Grant will carry Ohio by ro a 40,000 to 50,000 majority.

The Vermont Greelevites have a ev cause of complaint against Presic nt Grant. He is charged with responsib. ty for potato rot.

Buell goes for Greeley. He may be remembered by those who are very familiar with public affairs, as an unlucky General in the war. Greeley declared, in 1862, that "Buell ought to be court-mar-tialed and shot."

Col. Breckinridge, in a speech at Lexington, Ky., said; "I don't care a picayune for Horace Greeley or what he has said. He represents the dawn of a new era to us, an era that will restore us to power." This is significant.

Secretary Fish, in conversation with a friend, stated that in his place, Phillips-town, N. Y., two hundred democrats have declared for Grant and Wilson, and further, that a leading Democrat there, named Kimball, has offered to bet \$10,000 that the State of New York will give Grant a majority of 100,000.

The Galveston News, one of the strongest supporters for Greeley in Texas, says: "If we understand Mr. Greeley's sentiments, he is a secessionist and always has been." The News says further: "Mr. Geeley's theory of the government is the true one, and although a little startling, it is the easiest, simplist and
